# Welcome Message

On behalf of the organizing committee, we would like to extend a warm welcome to all the participants of the international conference on Sensors, Systems, Signals and advanced technologies, (SSS'18) being held at the Vincci Maillia Hotel, Hammamet-Tunisia, May 10-12, 2018.

We consider ourselves fortunate to have the opportunity to organize SSS'18 in Tunisia and offer you a taste of the Tunisian hospitality.

In addition to the regular papers, SSS'18 includes exciting plenary keynotes. We have received around 150 papers writing by 382 authors from 25 countries worldwide that yielded 85 valid papers. The acceptance rate for this conference was around 60%. Authors from all continents honored us by reporting their original work, in all areas of Electronic devices, Low-voltage, low-power VLSI design, Image Processing, Signal Processing, Smart Cities, Computer sciences. We thank them for submitting their work to our conference.

We would like to thank all the members on the organizing committee for their extraordinary efforts to ensure that this conference will be a successful one.

We would like to express our gratitude to our sponsors, ATTeDD, the University of Sousse, Gazi university and the University of Monastir, as well as to our technical sponsors, IEEE RAS Tunisia chapter, and our partner LARATSI-ENIM, CRMN, LR-SITI and LATiS.
